

McKEECO

GENERAL ENGINEERING PTY LTD

Edgers

McKEECO manufactures edgers for cant and board resawing. Cant edgers can be supplied as a gang, with moving saws or a combination of both.

Edger infeeds/outfeeds are custom made to suit the particular installations.

Edger Infeed

Infeeds can either position the board with a linebar or on centreline or a combination of both.

Edger Outfeed Separator

Outfeeds can be made to separate waste from finished product.
